Robber Apprehended.

Mr. Phil Chapman announces that he has discovered the person that took the \$150.00 from his bed room a few weeks ago, and he asks the newspapers not to publish the name of the thief on account of his good family. Twenty dollars of the amount was returned to him and the balance was made good. The blood hounds of Lancaster, were not on the trail at all, as the robber admitted that he climbed in at a window and out the same way over the laundry shed and dropped the pants near the ice plant where they were found the next day. It was one of those unfortunate affairs that grow out of the fool-hardy of a boy and brings disgrace and trouble to his family and trouble to his parents.

Albert Yost Again in Trouble.

We see by the Lexington papers that one Albert Yost, who some years ago was arrested in Fairfield county and brought back to Logan for horse stealing and subsequently sent to the reformatory, has been sent up from that county for horse stealing. He was handed out a two year sentence in the penitentiary.

A Personal Appeal.

If we could talk to you personally about the great merit of Foley's Honey and Tar, for coughs, colds and lung trouble, you never could be induced to experiment with unknown preparations that may contain some harmful drugs. Foley's Honey and Tar costs you no more and has a record of forty years of cures. Bort & Co.

That powerful bird—the stork, that has been visiting various places recently, visited the home of Mr. and Mrs. Joe Brashares, Friday morning, and left them a precious eight-pound son. Obituary.

Caroline Herl, nee Young, was born in the State of Maryland on the 1st day of February A. D. 1826, and moved with her parents to the State of Ohio in the year A. D. 1834, and has spent nearly all of her useful life within the bounds of Hocking Co., Ohio, and in her declining years has been most tenderly cared for by her children, making her home chiefly with her daughter, Mrs. F. M. Mount, at whose home she departed this life on the 16th day of December A. D. 1908, aged 82 years, 10 months and 15 days.

She was united in marriage with Samuel Herl in early life, which union was by the grim reaper death, dissolved in the year A. D. 1878, her children consisting of two sons and four daughters. All survive her save and except one son, which died in infancy.

She was a kind and indulgent wife and mother, and was held in the highest esteem by all who knew her, for her kind, neighborly and obliging disposition.

Her last sickness, though of several months duration was borne with patience, which only could be shown by one who is enabled as she was in her last hours to declare that "I am ready to go when ever the Lord calls."

She leaves one son, four daughters and a large number of relatives and friends to mourn the loss of her, yet with the consolation that we believe our loss to be her eternal gain.

A precious one from us has gone, A voice we loved is stilled, A place is vacant in our home That never can be filled.

Mother's gone, but not forgotten, Never will her memory fade, Sweetest thoughts will ever linger Round the grave where she is laid. Dearest mother has gone and left us, And our tears were shed in vain, In that heavenly home above us, We should strive to meet again.

CARD OF THANKS.

The family of the deceased wish to extend to their neighbors and friends their sincere thanks for the aid and assistance furnished and kindness shown during the sickness, death and burial of their mother.

Mrs. F. M. MOUNT AND FAMILY.

3,500 Good Jobs to be Distributed.

Washington, Dec. 19.—The appointment of clerks and other employees needed for work on the thirteenth national census will be congressional patronage, as in the case of taking previous censuses. Senator Long, chairman of the Committee on Census, today reported to the Senate the House bill providing for non-competitive examinations, to be held throughout the country by means of the civil service machinery, but based on a form of examination to be prescribed by Director North of the census and confined to persons designated by senators and representatives. There are about 3,500 places to be filled, and the bill will prescribe that preference shall be given to persons who participated in previous censuses. The positions will continue about three years.

We are sorry to hear that former Congressman C. H. Grosvenor met with a painful accident en route to Washington city last week. By the lurch of the coach his thumb was caught in a door and mashed.

A Very Pleasing Christmas Gift

Mr. Phil Rising, one of the oldest and most responsible citizens of Lancaster, made that city a most pleasing Christmas gift last week in the way of 73 acres of ground known as Mount Pleasant near that city. The City council accepted the gift and will make it into a park and name it Rising park. This will not only be a grand place for the children of Lancaster to play and for the tired public to spend a pleasant afternoon in the summer time, but it will also serve the purpose of perpetuating the memory of the generous donor, who has been one of the progressive citizens of Lancaster for these many years.

Booze Bonds Low.

The feature of the session of the Columbus stock exchange Friday was the sale of two bonds of the Hoster-Columbus Associated Breweries at 40. The sale of the bonds seemed to be forced, as the broker who had them offered them down until he found a buyer. It is not believed that there are other bonds at this price, although the market closed with the bonds offered at 41 and bid at 39 1/2.
